Dear Marina Citizens,

Marina's families and small businesses are the bedrock of our community and my commitment to you as a trusted leader is to:

- Tackle the budget using **common sense and fairness**.
- Seek **sustainable revenues** to provide for a **safe, stable Community**.
- Insist on **budget and executive salary cuts** before asking you to pay more in local taxes.
- Fight to **support our small businesses**.
- **Create a vibrant downtown** that is welcoming to our citizens and Monterey Peninsula visitors.
- **Move forward** with the **Cypress Knolls** senior development.
- **Support recreational activities** for our youth and seniors.
- Strengthen **local and regional education partnerships** (CSUMB, MPC and more) to **create jobs**, increase **city revenue, local commerce** and **career growth opportunities** for our youth and for adults seeking to enhance their careers.

My voice and my vote is for **balanced decision-making** that reflects our community's values, respects our community's diversity and values a responsive City government.

Sincerely,

## Experience & Community Involvement

My **20 years of professional experience** as a County Senior Analyst (working on projects and program development with a broad spectrum of public service departments— District Attorney, Planning, Redevelopment Agency, Auditor, Assessor, Sheriff and Public Works) has prepared me to **make common sense decisions** in these challenging times.

I have been a Marina homeowner for 15 years, raising two daughters with my wife Chris, and being active in their schools. I am serving my third term as Marina Planning Commissioner, including a term as Chair and a term as Vice Chair I am an active member, and have served on, a variety of local development, planning and redistricting committees and commissions.
